

I am outraged at Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election. Today I heard an ad (sponsored by the Republican Party) on my local radio station (WOBN-FM) asking that we call & demand that Dan Rather be retired because of the biased news report he & CBS aired. How hypocritical can the Republican Party get!!

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Airing this so-called partisan "documentary" is not in the public's best interest.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
